SOFTWARE ENGINEER, SYNCFUSION SOFTWARES, CHENNAI-INDIA

April '2014 – July '2016

Role: .Net Developer

Product: Dashboard Server in Syncfusion Dashboard Platform and Report Server.

The Syncfusion Dashboard Platform is an end-to-end solution for creating, managing and sharing interactive business dashboards. It includes a dashboard designer application for easily composing dashboards as well as a web interface for managing and sharing dashboards which is dashboard server. Dashboard or Report server is a web interface for managing and sharing dashboards/reports with users with their assigned permissions. The dashboard/report server acts as a portal for dashboards/reports in that users can create, edit, and manage their dashboards with secured way. Secured way in the sense, each user has different set of permissions and only users with appropriate security roles can view the relevant dashboard/report.

Responsibilities:

- Permission schema analysis and designing.
- Notifications architecture design and development.
- Scheduler service for exporting report/dashboard in scheduled timing and e-mail the exported file.
- Web API development.
- Integrating Microsoft SSRS Reports with Report Server.
- Designed data access layer for the application.
- Collaboration schema design.
- UI development for user management modules.
- Azure SQL, SQLCe support provided for product.
- Used N-tier architecture for presentation layer, business layer, data access Layers and were coded using C#.
- Written stored procedures, triggers using SQL for SQL SERVER 2008/2012/2014.
- Developed WebForms using C# and ASP.NET MVC.
- Used AJAX in some webforms.

- *Worked on Cascading Style Sheets and XML-Schemas.*
- *Developed Web API for user authentication and file transfer.*
- *Ensured Security to all the portals by creating Tampered proofed URLs.*
- *Extensively used GridViews sorting and paging*
- *Deployment of Application on Test and Production Server.*
- *Fixed many production issues and performed complex enhancements in the portal.*

Education

- *B.E (ECE) from Jaya Engineering College, Thiruninravur affiliated to Anna University in 2009-2013 with academic CGPA of 7.4.*
